

# CORE Leadership Program

**Rapidly Accelerate the Capacity of Your Mid & Senior Leaders**

*Leadershiptrainingcanada.ca - Powered By Allen Leigh Consulting*

The CORE Leadership Program is a high-impact learning experience that brings together our most effective leadership acceleration tools, exercises, and latest thinking. Laser-focused on developing the Core Leadership Qualities that are critical for achieving full impact.

It combines validated leadership assessments, experiential learning exercises, practical leadership tools, frameworks with high-touch in-person work and coaching support.

## What the CORE Leadership Program Offers

### Coaching Calls

Pre-program, and 4 group and individual coaching calls between sessions, with our Executive Coach.

### High-Impact Learning

4 days of High-Impact Learning with business simulations and time with other experts.

### Assessments & Insights

3 high-impact leadership assessments with confidential 360 insights.

### Tools & Resources

Full access to leadership toolkits and downloadable resources.

## The Program is Designed For

### Homegrown Leaders and Managers

Managers who drive results with cross-functional projects.

### Professional Contributors (IT, Finance, HR)

Professionals balancing multiple roles.

### Experienced Technical Experts

Managers without formal training seeking development.

### Emerging High Potential Leaders

Emerging leaders who have grown on the job.

### Seasoned Industry Professionals

Change agents needing to leverage their expertise.
